RULES (CRITERIA)	PLAN OF CORRECTION	Completion Date
\$11-90-6 General policies, practices, and administration. (d) The facility shall have written policies and procedures which incorporate the assisted living principles of individuality, independence, dignity, privacy, choice, and home-like environment. FINDINGS Incident reporting policies and procedures indicated to complete an incident report for each resident for any bruises, identifiable or not and for falls, both injury and no injury. Resident #3- Nursing progress notes indicated that resident was found on floor on 6/15/19. However, no incident report generated.	Correcting the deficiency after-the-fact is not practical/appropriate. For this deficiency, only a future plan is required.

RULES (CRITERIA)	PLAN OF CORRECTION	Completion Date
\$11-90-8 Range of services. (a)(1) Service plan. The assisted living facility staff shall conduct a comprehensive assessment of each resident's needs, plan and implement responsive services, maintain and update resident records as needed, and periodically evaluate results of the plan. The plan shall reflect the assessed needs of the resident and resident choices, including resident's level of involvement; support principles of dignity, privacy, choice, individuality, independence, and home-like environment; and shall include significant others who participate in the delivery of services; FINDINGS During a visit in the medication room, nursing staff verified that resident is on medication management. However, March 2018 service plan indicated that resident is independent with medication. Service plan was not reviewed and/or updated.	PLAN OF CORRECTION PART 1 DID YOU CORRECT THE DEFICIENCY?
